

What is 4-H Camp?

4-H Camp is a fun opportunity for boys and girls to learn citizenship, leadership, and life skills through hands-on experiences. The camping program helps youth build self-esteem and challenges them to think critically and creatively. Campers enjoy being part of a larger group and participating in campfires, recreation and classes which may include archery, dance, canoe, kayak, stand-up paddleboard, swimming, sewing, arts and crafts, outdoor living skills, challenge course, marine science, air rifle, wood working, robotics and more!

A parent should know:

Camp at Jamestown 4-H Educational Center is accredited through the American Camping Association.

Camp staff is trained and highly qualified. Jamestown has approximately 30 collegiate staff members.

12 trained adult volunteers attend camp with Gloucester as well as 28 trained teen counselors.

Camp provides air-conditioned cabins and lodges. Meals are served family style in the dining hall, and snacks may be purchased at the camp store during free rec.

We strive to make accommodation for those with special needs, so please call us if you have any questions.

Camp has a wonderful, enormous pool with certified lifeguards on duty.

Supervision ratio at Camp is 1:8
